PLICATIONS

AFS -800 ECU SERIES

Product Description and Operation

ECU, the world's smallest wireless EFTPOS Terminal, enables you to accept payments by CHEQUE, CREDIT CARD, DEBIT CARD and SMART CARD.

Enter the SALE AMOUNT,

Enter BANK and ACCOUNT numbers for CHEQUES,

OR

Swipe the CARD,

THEN

Select the ACCOUNT type and enter the PIN for DEBIT cards.

OR

Just press 'OK' for CREDIT cards.

The funds are transferred from the client's account into your account in less than 5 seconds.

ECU also contains a TWO-WAY PAGER application which enables you to receive and send text messages to a DISPATCH SERVICE operator or to another ECU terminal.

Ask your dealer for information on other ELECTRONIC COMMERCE applications:

INVENTORY ACCESS
ORDER CAPTURE
JOB DISPATCH
RESERVATIONS
CONSIGNMENT PICK-UP
and many more.

ECU is equipped at the time of purchase with a personalized SIM card which prevents unauthorized usage of your terminal and ensures the integrity and privacy of your wireless transactions.
